TO WHOM IT MAY CONCERN

Mr. Terry Mitchell of Mitchell Entertainment was the resident musician here at The Courthouse Restaurant for some three years. Terry fulfilled his duties in a most satisfactory manner and would accommodate patrons requests. He entertained many of our wedding groups and received many compliments on his versatility and flexibility.

I wish Terry well in his future.

TO WHOM IT MAY CONCERN.

This is to certify that the above Club has employed Terry Lindsay as a Soloist entertainer on several occasions over the past 6 months.

Terry proved most popular with our Clientele and played his music in a very professional manner and most importantly plays music to suit the crowd, which varies considerably.

We would have no hesitations in recommending Terry and will be sorry to see him leave this area.
